Requirements

SCENARIO #4

- The patient's primary insurance is Blue Cross and Cigna is secondary, through the spouse.
- The primary payment(s) and adjustment(s) itemization is posted to each service line(s).

For training purposes, these instructions start from the viewpoint that the claim is already opened in our editor 2.0.

THE NECESSARY INFORMATION NEEDED IN ADDITION TO THE PROFESSIONAL MEDICAL CLAIM:

- The name of each of the insurance payers,
- The payer ID for each insurance payer,
- The member ID numbers for each subscriber for each insurance payer.
- The primary insurance EOB, as it will supply the payment and adjustment data.
 - The primary insurance payment amount of zero is valid.
 - The payment amount(s).
 - The adjustment amount(s).
 - The adjudication date.
 - The adjustment group codes and reason codes.

Disclaimer: All claim information is fictitious. Please note no association of actual patients or events is intended.

START BY CHANGING THE DESTINATION PAYER TO THE SECONDARY PAYER. CLICK IN BOX 1.

This box will open up to display the Destination Payer as Blue Cross because that is the primary payer. The data needs to be changed to the secondary payer information. In this case Cigna.

*** Either the Patient or the Subscriber must have a relationship. ***

NEXT, ADD THE ORIGINAL SUBSCRIBER TO THE PATIENT FIELD. THE ORIGINAL SUBSCRIBER IS NOW THE PATIENT. CLICK IN BOX 2.

Initially, you see a blank Patient box. Click on the **Add Patient** blue button and add the original subscriber's data completing the patient fields.

Hint: You can leave the subscriber box 4 open as you enter the data in the patient box 2. The open side-by-side view of the boxes help aide in clarification as you create the secondary claim.

The screenshot shows two side-by-side windows. The left window is titled 'Patient' and contains a 'Close' button, an 'Add Info Wizard' button, and an 'Add Patient' button. The main area of the Patient window is empty, displaying 'No Data To Display'. The right window is titled 'Subscriber' and contains a 'Close' button, an 'Add Info Wizard' button, an 'Add Date' button, and an 'Add Contact' button. The Subscriber window is populated with the following information: Suffix (empty), First Name (SAM), Middle Initial (empty), Last Name (BRADY), Sex (M), Address (123 MAIN), City (TULSA), State (OK), Zip Code (74119), Plan Name (empty), Policy / Group (empty), Relationship (Self), Pregnant (checkbox), and Member Id (123456789). A vertical sidebar between the windows contains various status indicators and a 'Delete' button. A large arrow points from the 'Add Patient' button in the Patient window towards the Subscriber window.

Please add the Name, Sex, Relationship, and the Address if applicable.

The screenshot shows the same two side-by-side windows. The Patient window now contains the following information: Suffix (empty), First Name (JAN), Middle Initial (empty), Last Name (BRADY), Sex (F), Address (803 NARRILY), City (TULSA), State (OK), Zip Code (74119), Relationship (Spouse), Pregnant (checkbox), and Date Of Birth (02/23/1968). The Subscriber window remains populated with the same information as in the previous screenshot. The vertical sidebar between the windows is also visible.

This selection from the above list displays both the subscriber and the corresponding insurance payer in a side-by-side view. By aligning the boxes side-by-side it is easy to match the correct subscriber to correct insurance payer.

In this case it will be the original primary subscriber and the original primary payer data that must be entered.

Initially, you see two blank boxes. To add the original primary subscriber, click on the **Add Other Subscriber** blue button. To add the original primary payer, click on the **Add Other Payer** blue button.

It is a requirement to complete both sets of information.

For the subscriber add the Name, Relationship, and the Member ID.

For the payer, please add the Name, Claim Filing Indicator, Responsibility, and the Payer ID.
